

## Nancy – Video Transcript

I'm Nancy Meyer. I live in Chesterfield, Missouri with my daughter and my animals.

I trust Commerce Trust with everything I have, literally down to the last penny.

My father did everything for me. He did my finances and my stocks and my investments and everything.

My dad passed and I had to manage the estate, and I didn't know what I was doing.

My lawyer suggested I meet with Robin Channex at Commerce

and Vanessa Venera and Robin and I and my attorney all met. Vanessa and Robin were just real.

They were amazing and they weren't trying to sell me. I loved that.

They just let me ask questions. They asked questions but they weren't pushy at all.

The lawyer lined up a couple of other ones, but he's like, "I think this is probably the place you're going to want to use."

And that was it for me. I didn't need to look elsewhere.

I absolutely love my team at Commerce Trust.

I joke with them and I call them my dream team, but they're always taking care of me.

I had an experience where I had a huge expense and I was panicking

and they took care of paying it for me.

They helped me through it on a personal level as well.

Like, "How are you? Are you okay? How are things? Are they good?"

And they would call or email just to check on me.

I know when I wake up every day that Commerce has my back.

Commerce Trust Company, a different kind of trust.
